## Military Experience

Maintenance Representative, United States Army Fort Irwin, CA 2014-2016

- Maintained 100% accountability and serviceability for 22 light military wheeled vehicles worth 2.75 million dollars
- Coordinated, prepared, and executed maintenance projects: vehicle painting, vehicle inspections, vehicle turn-in and sustaining vehicle functionality
- Cultivated and upheld high standards by myself and four members of my staff
- Established and enhanced a working relationship with multiple organizations to ensure all maintenance requirements were met
- Conceptualized and implemented an effective vehicle project tracking system
- Observed, gathered, and clearly reported information to higher authorities
- Identified and exercised principles of active management and military leadership philosophy
- Instructed using methods such as audio-visual materials, discussion, lecture, and practical exercises
